

NAME: Todd Vaughan

CLIENT: Whirlpool Corporation

Synopsis: Below are examples of mock organic Facebook posts I created for a school project. I wrote the captions and sourced all the images.

Part 1 focuses on achieving specific objectives.

Part 2 focuses on using various tones to achieve clicks.

Part 1 – Writing for Various Objectives

Post 1

Objective: Clicks

Caption:

Liquid, powder, or single-dose pods. Does it really matter what type of laundry detergent you use? The short answer: yes, it does.

Check out our latest blog entry below to see which type of detergent is best for your laundry needs.

Part 2 – Writing for Various Tones

Post 1

Tone: Authoritative

Objective: Clicks

Caption:

At Whirlpool, we want to see every child grow up with equal access to education. Unfortunately, thousands of kids miss school daily because they don't have clean clothes to wear. This is why we started Care Counts — a program that provides students in need with access to clean clothes. Learn more about our commitment to education with Care Counts.
